

paro_{plus}

wiesner hager

Time for the number 1 in price and performance

12:45h

Well thought-out.

Superior quality and functionality.

Height-adjustable backrest, also for the mesh back version.

100% recyclable, awarded the Austrian environmental award.

A choice of different armrests – from standard arms to multifunctional arms that swivel and have multi-dimensional adjustment.

The new optimised synchro-mechanism has integrated seat depth regulation and can be fine-tuned to the user's bodyweight.

Multi-dimensional adjustment of seat and back for optimum seating comfort.

Swivel chair

Similar to the swivel chair range, with upholstered or knitted mesh backrest.

Wide range of upholstery fabrics and four knitted mesh colours for task and cantilever chairs.

Stackable with and without arms.

Suits in perfectly as a visitor chair; ideal for conference and meeting room seating.

Best seating comfort thanks to flexible cantilevered frame, high-quality upholstery and ergonomic design.

Cantilever chair

The time is ripe for ergonomic perfection.

17:45h

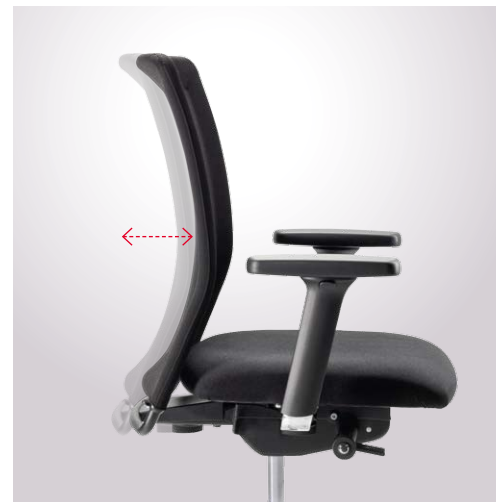

Multitalented.

More chair for your money.

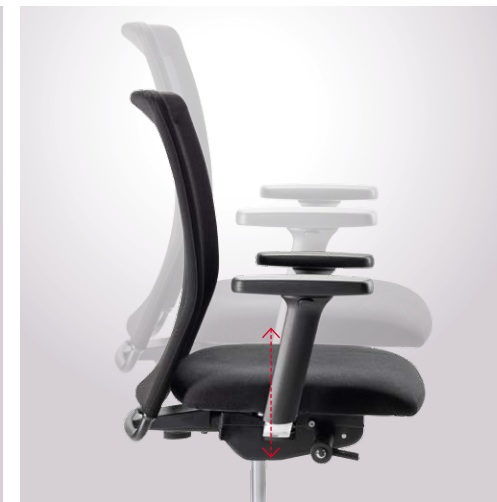

1 Backrest height adjustment (also in the *paro_plus net* mesh version) for perfect back support, whatever the user's height.

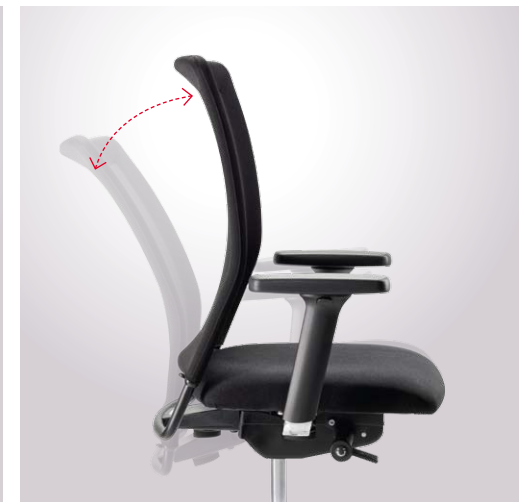

2 Seat depth adjustment for adapting seat to the user's height.

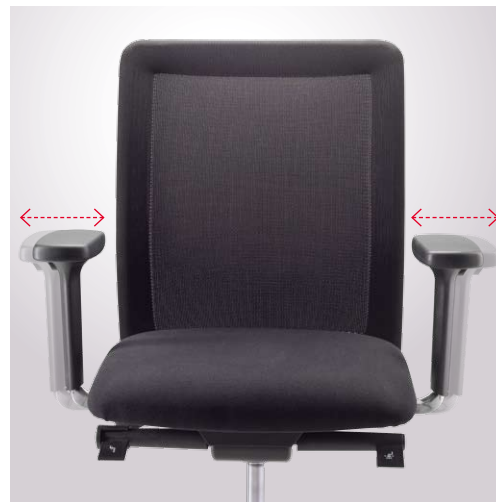

3 Seat height adjustment with DIN 4550-compliant gas spring and seat depth suspension.

4 Synchro tilt mechanism with side-mounted tension control for fine-tuning to the user's individual bodyweight.

5 Breadthways arm adjustment.

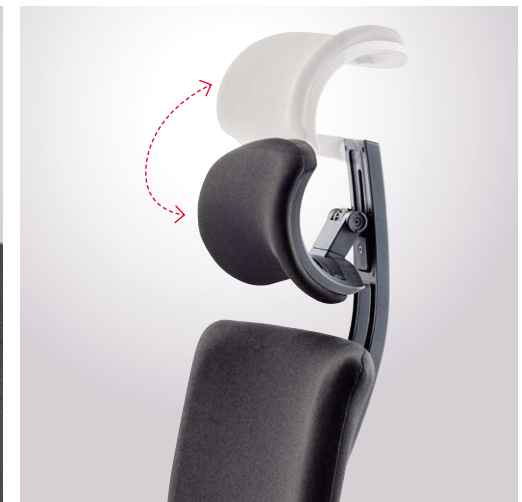

6 Arm height adjustment. Additional depth adjustment with multifunctional arms.

7 Multifunctional arms: swivelling armcaps.

8 Optional: adjustable neckrest for swivel chair with upholstered backrest.

Ready to go.

Why *paro_plus* is now available
for self-assembly:

Because the compact packaging reduces logistics and warehousing costs and also the price. Assembly is child's play: simply fit the parts together – and it's done (only 6 parts). No tools or special expertise required.

Options.

Colours of mesh:

Versions:

paro_plus net: upholstered seat, knitted mesh backrest
paro_plus business: upholstered seat and back

Swivel chairs:

Black plastic swivel base. Double castors with load-dependent braking in hard or soft surface options. Upholstered backrest version: the rear of the backrest on models with fabric upholstery is always in black fabric (Trevira CS B1); models with leather upholstery have the same leather as the front of the backrest. Options available for a surcharge: Aluminium swivel base in polished or powder-coated finish.

Arms:

Standard arms: fixed height, adjustable in width. Height-adjustable arms: adjustable in height and width, with soft armpads. Multifunctional arms: swivelling, adjustable in height, width and depth, with soft armpads. Polished aluminium armrest support. All arms are black plastic.

Functions:

Synchro-mechanism with side-mounted tension control (from 40 to 120 kg), can be fixed in several positions. Seat height adjustment with DIN 4550-compliant gas spring and seat depth suspension. Height-adjustable backrest. Seat depth adjustment (plus 5 cm).

Options available for a surcharge:

Synchroflex-mechanism – seat tilts forward 5° (excluding antistatic version); adjustable lumbar support; adjustable neckrest (*paro_plus business* only).

Antistatic swivel chairs:

Antistatic specification option, as per EN 61340. Aluminium swivel base. Front and rear of backrest upholstered.

Cashier chair:

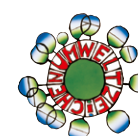

45 cm Ø foot ring, chrome-plated, plastic glides. No seat height adjustment. Otherwise as swivel chair design.

Cantilever chair:

Tubular steel frame, powder-coated, plastic glides. Arms with black plastic pads. Upholstery as for swivel chairs. Finish option available for a surcharge: chrome-plated frame.

Mesh fabric:

With outstanding ergonomic properties: good breathability, highly durable mesh elasticity, high wear/abrasion resistance (Martindale > 40,000 cycles), free of harmful substances as per Eco-Tex standard 100, kind to the skin, anti-allergic. Four colours are available as options.

Recommendations.

eva

Avant-garde design from the USA.

veron

The emotional response to pure functionality.
