Accessories

Wire Management Tray (A)

A simple way of carrying horizontal cables across singular and multiple runs of desking.

Our optional wire management tray can be retrofitted to new or existing Flexi desking.

The tray provides a platform for our 2,3 and 4 gang socket modules and weiland cabling, bringing power and data to desktop level through the desktop cable ports.

Code: OWMT

Flexi Cable Riser (B)

The optional Cable Riser channels all electrical and data cabling from floor level to desk top, discreetly concealing and securing them to the Flexi desk leg frame.

Code:FLCR

Flexi Cable Clip (C)

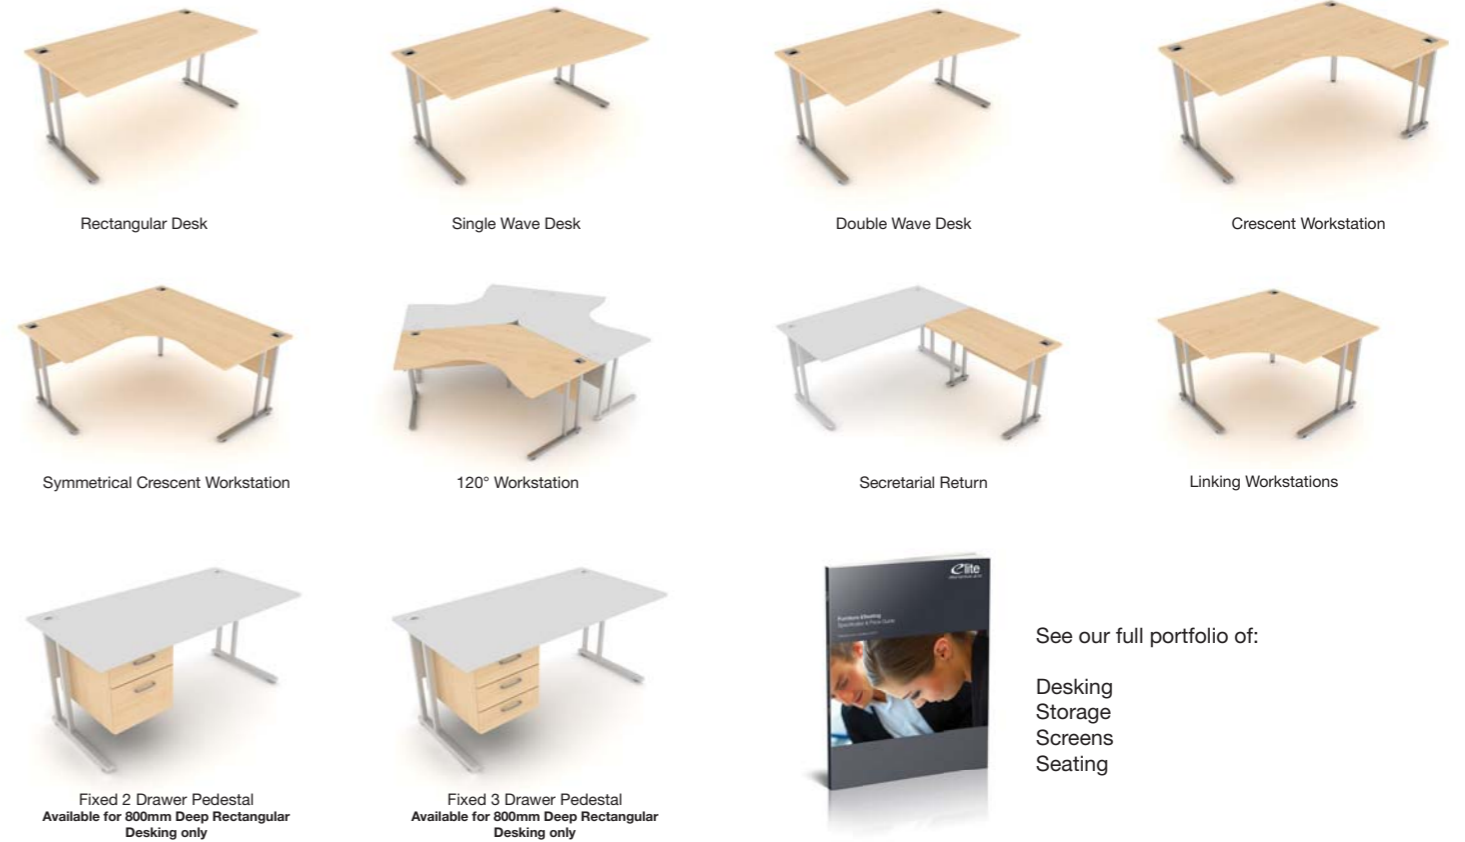

This optional three channel cable clip allows Flexi desking to comply with BS6396 electrical standards. Easy clip on mount allows for retrofitting to new or existing desking.

Code: FCC

Desking Styles & Options

Flexi is available in a comprehensive range of desk design and sizes to cater for multiple or individual use.

Flexi holds the solution for every office application.
