

FLOW CHAIR

(Designer J. M. Massaud)

Two new versions: textile and with a smoked grey shell

A family of seatings of great impact and comfort. Designed for the home, the office and the community areas. The extensive range of bases and finishes now incorporates the new smoked grey shell and the new textile shell.

SMOKED GREY SHELL

The shell, made from polycarbonate through injection moulding, is mass-pigmented in transparent smoked grey, and has a standard double finish: gloss outside, and goffered inside. The chair is always provided with a fixed leather pad, in black or white depending on the frame finish. With a chrome-plated or brushed frame, the pad is always in black leather.

TEXTILE SHELL

The shell, made from polycarbonate, is completely upholstered in fabric. Removable upholstery; extra cover available if requested.

The textile version can be made exclusively with:

- the fabrics Gin, Manila, Jac, Luxor, Divina
- the technical fabrics Londra and Oxford NanoSphere®
- leather

NB: the textile version is priced by adding the price of the frame with base to the price of the selected upholstery. The chair is always provided upholstered.

BASES WITH SMOKED GREY VERSION

In steel or aluminium, they are lacquered in **gloss** white or black, chrome-plated or brushed, or in oak solid wood.

The bases are available in the following options:

- 4-legged base in steel wire, gloss-lacquered in white, black, or chrome-plated.
- sled base in steel wire, gloss-lacquered in white, black, or chrome-plated.
- sled base with arm in steel wire, gloss-lacquered in white, black, or chrome-plated. The frame in tubing acts as an armrest surrounding the whole shell.
- 360° swivel 5-legged base in steel tubing, gloss-lacquered in white or black; on castors in the same colour.
- 360° swivel 5-point-star base in aluminium, gloss-lacquered in white, black or gloss-brushed; on castors in the same colour.
- 360° swivel base with central leg in gloss-lacquered aluminium in black or white.
- 360° swivel 4-legged oak base, frame from transparent-lacquered natural oak solid wood, with a steel coupling device, gloss-lacquered in white or black.

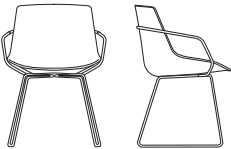

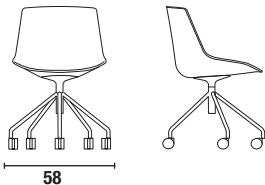

BASES WITH TEXTILE VERSION

In steel or aluminium, they are lacquered in **matt** white or black, chrome-plated or brushed, or in oak solid wood.

The bases are available in the following options:

- 4-legged base in steel wire, matt-lacquered in white, black, or chrome-plated.
- sled base in steel wire, matt-lacquered in white, black, or chrome-plated.
- sled base with arm in steel wire, matt-lacquered in white, black, or chrome-plated. The frame in tubing acts as an armrest surrounding the whole shell.
- 360° swivel 5-legged base in steel tubing, matt-lacquered in white or black; on castors in the same colour.
- 360° swivel 5-point-star base in aluminium, matt-lacquered in white, black or gloss-brushed; on castors in the same colour.
- 360° swivel base with central leg in matt-lacquered aluminium in black or white.
- 360° swivel 4-legged oak base, frame from transparent-lacquered natural oak solid wood, with a steel coupling device, matt-lacquered in white or black.
